## ExecuSpeak Dictionary

Over 500 business terms, buzzwords, acronyms, and phrases are defined in plain English and then used in a sentence. Just enough information so you can be IN the conversation instead of wondering what the conversation is all about. Dictionary includes an alphabetical index and 18 subject matter indexes to make it easier to find, learn, and use the vocabulary.

## Business English for Zoning and Real Estate (PHL)

The Zoning Code for the City of Philadelphia (Pennsylvania) was revised in 2012. This book defines the new terms and the language used in the code in the ExecuSpeak Dictionary® style: plain English and then used in a sentence. The goal is to accelerate learning for all those who use the new code and thus support growth and investment in the City.

## Business English for Residential Real Estate (USA)

The biggest investment most people will ever make is buying a home. ExecuSpeak Dictionary®'s Business English for Residential Real Estate (USA) places key vocabulary terms, acronyms, and concepts in the hands of those who need the vocabulary when and where they need it. The language of mortgage finance and home ownership is described in plain English and then used in a sentence. Perfect for buyers, sellers, and those who work with them.
